General Contracting Ltd.
List of Project Experience
Completed**

Sr.	Name of Project / Kind of Works	Total Value of the Contract	Duration	Commencement Date	Actual Completion Date	Status of Project Completion	Contracting Authority and Location	Prime Contractor (P) or Subcontractor (S)	NPC Responsibility
1	Construction of Bashmakh/ Penjween border custom Directorate in Sulaimaniyah Governorate	1,971,973,070.00 IQD	800 working days	28.08.2013	31.05.2019	100%	Ministry of Finance Engineering and Technical Directorate -Sulaimaniyah	P	Design, Procurement, Delivery of Equipment and Engineering Services, Carrying out Civil, Electrical and Mechanical works
2	Mobile Substation and Associated Equipment Supply, Installation & Commissioning for Bazian Refinery Project in Sulaimaniyah Governorate	963,899.00 USD	6 months	02.08.2018	31.01.2019	100%	Bezhan Pet Co. For Oil Services Ltd.	P	Design, Engineering, Manufacturing, Delivery of Substation and Electrical Equipment of (132/11kV, 15MVA Mobile SS Spare Parts, 11/6.6kV, 10MVA Capacity Transformer, 6.6kV Switchgear with ATS, MV, LV and Control Cables and all accessories) Carrying out Civil and Erection Works, connection of Mobile SS to National Grid, Testing, Commissioning and Energizing of Substation Equipment and Mobile SS.
3	Construction of Mawlana Park in Sulaimaniyah Governorate	4,025,317,475.00 IQD	700 working days	10.04.2014	08.03.2016	100%	Lebanon Mountain Company For Agriculture & Landscape	P	Engineering Services, Project Management, Procurement, Delivery of materials and Equipment, Carrying out Civil, Electrical and Mechanical works
4	Halabja Water Treatment Plant Construction in Sulaimaniyah Governorate	514,540.00 USD	338 Working days	01.06.2014	05.05.2015	100%	SSANGYONG E&C Co., Ltd. - South KOREA	P	Carrying out shuttering works for two clarifloculators
5	Mass Global Investment Steel plant	55,440.00 USD	30 days	03.06.2014	03.07.2014	100%	Mass Global Investment Company	P	Carrying out site testing and commissioning works for five SS's, two 33/11kV & three 33/0.4kV SS's of Mass Global Steel Factory
6	GRD CEMENT PLANT-132/6.6kV MAIN POWER STATION	100,000.00 USD	30 days	15.05.2014	03.06.2014	100%	Sinoma Suzhou Construction Iraq Co.,Ltd - CHINA	P	Carrying out site testing and commissioning of installed equipment of 132/6.6kV Main Power Station for power supply of the GRD Cement Plant
7	MGI Steel Plant	15,000.00 USD	15 days	10.05.2014	24.05.2014	100%	GEMONT Endilstri Tesisleri imalat ve Montaj A.g. - TURKEY	P	Carrying out site testing for 126 MV cables of MGI Steel Plant
8	Construction of 3x63/50/40MVA , 132/33/11kV City Center Sulaimaniyah GIS Substation	2,436,400.00 USD	14 months	10.04.2013	22.05.2014	100%	Ministry of Electricity, Directorate of Distribution of Sulaimaniyah Governorate/ Matelec Group Lebanon	P	Construction of Substation Carrying out civil and electrical erection works
9	Stage 6 Substation Project in Kurdistan Region of Iraq, Sulaimaniyah Governorate, construction of four new 33/11kV substations	23,163,040.00 USD	21 months	29.04.2012	28.01.2014	100%	Ministry of Electricity, Directorate of Distribution of Sulaimaniyah Governorate/ Plan Co.	S	Project Management

North Power Company
General Contracting Ltd.
List of Project Experience
Completed

Sr.	Name of Project / Kind of Works	Total Value of the Contract	Duration	Commencement Date	Actual Completion Date	Status of Project Completion	Contracting Authority and Location	Prime Contractor (P) or Subcontractor (S)	NPC Responsibility
10	Stage 6 Substation Project in Kurdistan Region of Iraq, Sulaimaniyah Governorate, Installation, connection works, testing and commissioning of four new 33/11kV substations	860,000.00 USD	6 months	15.07.2013	15.01.2014	100%	Plan Co.	P	Carrying out the site electrical installation, connection works, site testing and commissioning for four new 33/11kV substation
11	Provision of Spare Parts for Dokan HPP Air Compressors and two Excitation Transformers 670kVA, 13800/320V	409,767.81 USD	140 days	13.08.2013	28.12.2013	100%	KRG-Ministry of Electricity	P	Design, Manufacturing, Factory Test, Shipping and Delivering at site the Spare Parts for Dokan HPP Air Compressors and two Excitation Transformers 670kVA, 13800/320V
12	Supervision of Electrical Erection works and site testing and commissioning of 132/33kV , 3x120MVA Mass Global Investment Steel plant substation	237,479.00 USD	6 months	08.06.2013	05.12.2013	100%	ABB AB Substation, Vasteras, Sweden	P	Supervision of site electrical works and carrying out site testing and commissioning of equipment for 132/33kV,3x120MVA substation provided for power supply of Mass Global Investment Steel Plant . Bazian -Sulaimaniyah
13	34.5 bar 1270m ³ /h Air Compressor on 4x4 Flat truck	441,189,000.00 IQD	90 days	12.06.2013	09.09.2013	100%	Ministry of Agriculture and water resources- Directorate of Sulaimaniyah Under Ground Water	P	Design , Manufacture , testing and delivery of 34.5 bar 1270m ³ /h Air Compressor on 4x4 Flat truck
14	Provision of the transformer insulating oil	99,960,000.00 IQD	10 weeks	10.07.2013	01.09.2013	100%	KRG-Ministry of Electricity/ Directorate of Electrical Generation Sulaimaniyah	P	Production, Factory Testing and Delivery of the transformer insulating oil
15	Mass Global cement factory 132/33kV, 2x50MVA Substation	100,000.00USD	4 weeks	10.03.2013	09.04.2013	100%	Mass Global Investment cement company	P	Carrying out testing and commissioning works for extension of the existing 132/33kV substation of Mass Global Cement Factory
16	33/0.4kV Shar hospital Substation- Sulaimaniyah	70,000.00 USD	2 weeks	24.01.2013	04.02.2013	100%	DAGLI GRUP for Construction Contracts Ltd./ Turkey	P	Carrying out site testing and commissioning works for new 33/0.4kV Substation of 400 Beds Hospital Project ,Sulaimaniyah
17	Contract No. AZM -NPC/BSF 132kV/OH-01- , Double Circuit (D/C) with twin ACSR TEAL Conductor for connecting Bazian Steel Factory 132/11kV Substation (S/S) to the 132kV national grid in Kurdistan Region of Iraq - Sulaimaniyah Governorate, Bazian – Kany Sheytan Area	1,250,000.00 USD	3 months	24.08.2012	23.11.2012	100%	Azmir Company for Producing Electrical Cable and Wire Ltd.	P	Engineering, Design, manufacture, Delivery of Equipment and Material, Carrying out Civil Works, Site Erection, Testing and Commissioning works for new 132kV Overhead Transmission Line on Turnkey Basis.

North Power Company
General Contracting Ltd.
List of Project Experience
Completed

Sr.	Name of Project / Kind of Works	Total Value of the Contract	Duration	Commencement Date	Actual Completion Date	Status of Project Completion	Contracting Authority and Location	Prime Contractor (P) or Subcontractor (S)	NPC Responsibility
18	Contract No. NPC/AZM - 05/2011, construction of new 132/11kV, 1x40MVA substation of Bazian Steel Factory	380,000.00 EURO	12 months	06.01.2012	05.12.2012	100%	Azmir Company for Producing Electrical Cable and Wire Ltd.	P	Scope of works for Project management and consulting services, supervising civil works, carrying out site installation, testing and commissioning
19	New 33/11kV, 2x16MVA Substation at new campus of Sulaimaniyah University	3,925,000,000.00 IQD	360 Days	30.06.2011	09.05.2012	100%	Ministry of Electricity – KRG/Plan Co.	S	Project Management, site installation works, testing and commissioning
20	Manufacturing, factory test, delivery, installation, testing, commissioning and energizing 10 (Ten) units of Ring Main Unit (RMU) 630A	181,600,000.00 IQD	140 days	14.03.2011	31.07.2011	100%	Al-Mutasam Company for general construction- Baghdad/ Karmas Co.	S	NPC for Design, manufacturing, factory test and delivery of Ten Ring Main Units
21	Construction of Bazian Grid Connection Project 132/11kV AIS, 63MVA Substation at Bazian cement plant Sulaimaniyah, Kurdistan-Iraq	3,850,000.00 EURO	10 months	15.01.2011	15.11.2011	100%	Bazian Cement Plant – Lafarge, Iraq/Plan Co.	S	Project Management, site installation works, testing and commissioning
22	Construction of Shary Jwan Hotel Substation (new 33/11kV, 2 x 31.5MVA Substation)	5,125,863.00 USD	12 months	15.12.2010	15.10.2011	100%	Faruk Group Holding, Sulaimaniyah - Iraq/Plan Co.	S	Project Management, site installation works, testing and commissioning
23	Stage 4 Substation Project in Kurdistan Region of Iraq, Sulaimaniyah Governorate, Extension of five the existing 132/33/11kV and one 33/11kV substations and construction of five new 33/11kV substations	69,106,106,035.00 IQD	18 months & amendment period of 143 days	25.05.2009	06.04.2011	100%	Ministry of Electricity, Directorate of Distribution of Sulaimaniyah Governorate/Plan Co.	S	Project Management
24	Provision of 14 packages of kiosk type substation 11/04kV, 250kVA capacity for Malik Mahmood ring road lighting	406,000.00 USD	12 weeks	15.06.2010	15.09.2010	100%	Municipality of Sulaimaniyah/Power Green Co.	S	NPC for Design, manufacturing, factory test and delivery of 14 packages of kiosk type substation 11/04kV, 250kVA
25	Contract No. SOM: 65.09.9042.01 - for design, manufacturing, factory test and delivery of power transformer 11/0.4kV - 1MVA and 3.3/11kV - 5MVA	380,631.00 USD	60 days	10.04.2010	09.06.2010	100%	Ministry of Oil, North Oil Company (NOC)/Karmas Co.	S	NPC for Design, manufacturing, factory test and delivery of Transformers

**North Power Company
