

Solar Technology Completed Projects

Sr.	Name of Project / Kind of Works	Contracting Authority and Location	NPC Responsibility	Contract Value USD	Start Date	Actual Completion Date	Completion Percentage	Reference
1	47KWp Rooftop Solar Photovoltaic Hybrid System and a 30KWh Battery Energy Storage System (BESS)	UNITED NATIONS POPULATION FUND (UNFPA), Erbil - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of 3Ph, Solar Photovoltaic Hybrid System roof mounting type at the UNFPA-Anbar Women Shelter in Iraq	109,894.00	04.01.2024	04.04.2024	100%	Mr. Alin Handola Logistic & Procurement Associate Email: handola@unfpa.org Mobile: +964 7901208002
2	161.50KWp Solar Carport Project	UNITED NATIONS ASSISTANCE MISSION FOR IRAQ (UNAMI), Baghdad - Iraq	Design, engineering and installation phases of the PV solar carport structures project for UNAMI in the national car parking area in front of the Villa, inside the International Zone (IZ), Baghdad, Iraq	182,993.11	25.12.2023	26.04.2024	100%	Mr. Husam Mohammed Engineering & Facilities Management Section Email: husam.abdulkareem@un.org Mobile: +964 7901208002
3	51.50KWp Solar Carport Project	UNITED NATIONS ASSISTANCE MISSION FOR IRAQ (UNAMI), Baghdad - Iraq	Design, engineering and installation phases of the PV solar carport structures project for UNAMI in the international car parking area in front of the Villa, inside the International Zone (IZ), Baghdad, Iraq.	160,380.82	25.12.2023	26.04.2024	100%	Mr. Husam Mohammed Engineering & Facilities Management Section Email: husam.abdulkareem@un.org Mobile: +964 7901208002
4	2.22MWp Solar Photovoltaic Hybrid Microgrid System and a 3.379MWh Battery Energy Storage System (BESS)	UNITED NATIONS ASSISTANCE MISSION FOR IRAQ (UNAMI), Baghdad - Iraq	Design, engineering services, delivery of equipment and materials to the project sites, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of Solar PV Hybrid Microgrid Systems to Upgrade and Expand the Existing Solar PV Systems Installed at the UNAMI Premises in Iraq	4,237,443.53	03.03.2023	15.07.2024	100%	Mr. Husam Mohammed Engineering & Facilities Management Section Email: husam.abdulkareem@un.org Mobile: +964 7901208002
5	91.16KWp Ground Mounted Solar Photovoltaic Hybrid System and a 128KWh Battery Energy Storage System (BESS)	United Mix Media TV Channel Services Company, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of 3Ph, Solar Photovoltaic Hybrid System ground mounting type at Harruta Mountain Station Site.	237,198.00	01.08.2022	30.11.2022	100%	Mr. Karzan Muhammed Aziz General Manager Email: Karzan.m@mixmedia.tv Tel:+964(0)7723343200
6	28KWp Rooftop Solar Photovoltaic Hybrid System and a 30KWh Battery Energy Storage System (BESS)	North Power Company, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of 3Ph, Solar Photovoltaic Hybrid System rooftop mounting type at North Power Company office.	66,250.00	01.08.2022	25.11.2022	100%	Mr. Daban Nabil, Operation Manager Email: daban.nabil@npciraq.com Tel:+964(0)7701922030
7	10.90KWp Rooftop Solar Off-Grid Photovoltaic system and a 24KWh Battery Energy Storage System (BESS)	United Mix Media TV Channel Services Company, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of Solar Photovoltaic Hybrid System rooftop mounting type at Safin Mountain Station Site.	31,800.00	23.05.2022	01.06.2022	100%	Mr. Karzan Muhammed Aziz General Manager Email: Karzan.m@mixmedia.tv Tel:+964(0)7723343200

Solar Technology Completed Projects

Sr.	Name of Project / Kind of Works	Contracting Authority and Location	NPC Responsibility	Contract Value USD	Start Date	Actual Completion Date	Completion Percentage	Reference
8	360 Liter Solar Collector	Domestic Consumer / Hills real state project, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	670.00	03.06.2022	03.06.2022	100%	Mr. Ako M. Wahbi Email: ako.wahbi@gmail.com Tel: (+964)770152896
9	16.20KWp Rooftop Solar Photovoltaic Hybrid System and a 36KWh Battery Energy Storage System (BESS)	Domestic Consumer / Hills real state project, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of 3Ph, Solar Photovoltaic Hybrid System rooftop mounting type at Hills Real State project.	56,997.00	15.03.2022	31.03.2022	100%	Mr. Ako M. Wahbi Email: ako.wahbi@gmail.com Tel: (+964)770152896
10	8.72KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 36KWh Battery Energy Storage System (BESS)	United Mix Media TV Channel Services Company, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of Solar Photovoltaic Hybrid System ground mounting type at Xalakan Station Site.	29,491.00	01.03.2022	15.03.2022	100%	Mr. Karzan Muhammed Aziz General Manager Email: Karzan.m@mixmedia.tv Tel:+964(0)7723343200
11	Solar Pump Inverter	Welthungerhilfe (WHH), Nainawa - Iraq	Provision of Solar Pump Inverters to WHH Sinuni warehouse at Sinjar.	9,504.00	07.04.2022	14.04.2022	100%	Mr. Baran Omer Tel: (+964)7517792339
12	300 Liter Solar Collector	Domestic Consumer / Hills real state project, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	670.00	01.03.2021	01.03.2021	100%	Mr. Saman ba Tel : +964(0)7701525826
13	300 Liter Solar Collector	Domestic Consumer /Sulaymaniyah Hills real state project- Sulaymaniyah	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	640.00	14.02.2021	14.02.2021	100%	Mr. Saryas Shalli Tel : +964(0)7730446979
14	18.72KWp Roof Top Solar Photovoltaic Hybrid System and a 72KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of 3Ph, Solar Photovoltaic Hybrid System rooftop mounting type at Sitak.	44,500.00	01.02.2020	10.02.2020	100%	Mr. Ranj Qadr Tel : +964(0)7701521314
15	240 Liter Solar Collector	Qaiwan Power Station, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	545.00	02.05.2020	02.05.2020	100%	Mr. Soran Khalil Tel : +964(0)7702470048
16	360 Liter Solar Collector	Domestic Consumer /Magma Square Mall, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	700.00	15.07.2020	15.07.2020	100%	Mr. Rawa Kamil Tel : +964(0)7501436466
17	300 Liter Solar Collector	Domestic Consumer / Hills real state project, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	670.00	14.02.2020	14.02.2020	100%	Mr. Ahmad Kaikaws Tel : +964(0)7701527444

Solar Technology Completed Projects

Sr.	Name of Project / Kind of Works	Contracting Authority and Location	NPC Responsibility	Contract Value USD	Start Date	Actual Completion Date	Completion Percentage	Reference
18	8.32KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 96KWh Battery Energy Storage System (BESS)	Crescent Petroleum Iraq (FZE), Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site civil, mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System at MLV Control Building.	57,417.00	08.10.2019	01.11.2019	100%	Mr. Soran Hussien, Procurement Supervisor Email : kmprocurments@crestent.ae Tel: +964(0)7712357362
19	2.6KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 7.2KWh Battery Energy Storage System (BESS)	Crescent Petroleum Iraq (FZE), Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of 48V Off Grid DC invertor solar Air Conditioner system at MLV Control Building.	14,072.00	10.06.2019	13.06.2019	100%	Mr. Soran Hussien, Procurement Supervisor Email : kmprocurments@crestent.ae Tel: +964(0)7712357362
20	3.12KWp Rooftop Solar Off-Grid Photovoltaic system and a 11.52KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Twa Spy area.	6,000.00	12.07.2019	14.07.2019	100%	Mrs. Sheren Hussien Tel : +964(0)7711503637
21	360 Liter Solar Collector	Domestic Consumer / Hills real state project, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	700.00	11.06.2019	11.06.2019	100%	Mr. Bestun Muhamad Faraj Tel : +964(0)7707566676
22	3.12KWp Rooftop Solar Off-Grid Photovoltaic system and a 11.52KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Ali Najy area.	8,150.00	01.05.2019	10.05.2019	100%	Mr. Dana Anwar Tel : +964(0)770758852
23	0.90KWp Rooftop Solar Off-Grid Photovoltaic system and a 4.8KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Raparin area.	2,000.00	29.10.2019	31.10.2018	100%	Mr. Aram Abdulla M. Salh Tel : +964(0)7719982838
24	3.12KWp Rooftop Solar Off-Grid Photovoltaic system and a 11.52KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Grdy Andazyatran area.	5,700.00	09.09.2018	12.09.2018	100%	Mr. Sirwan Mohamad Tel : +964(0)7730417333
25	3.12KWp Rooftop Solar Off-Grid Photovoltaic system and a 11.52KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Hawary Shar area.	5,700.00	03.09.2018	05.09.2018	100%	Mrs. Kwestan M. Amin Tel : +964(0)7701408683

Solar Technology Completed Projects

Sr.	Name of Project / Kind of Works	Contracting Authority and Location	NPC Responsibility	Contract Value USD	Start Date	Actual Completion Date	Completion Percentage	Reference
26	3.64KWp Ground Mounted Solar Off-Grid Photovoltaic system	Gorran Net for Internet Services, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Qularaysy Station Site.	4,905.00	01.07.2018	07.07.2018	100%	Mr. Mohamad Ghanim Alobaidi Email: mohammed.alobaidi@gorannet.net Tel : +964(0)7704715549
27	3.64KWp Rooftop Solar Off-Grid Photovoltaic system and a 5.76KWh Battery Energy Storage System (BESS)	Gorran Net for Internet Services, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System ground mounting at Awin City Station Site.	5,850.00	10.07.2018	17.07.2018	100%	Mr. Mohamad Ghanim Alobaidi Email: mohammed.alobaidi@gorannet.net Tel : +964(0)7704715549
28	3.12KWp Rooftop Solar Off-Grid Photovoltaic system and a 11.52KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Mamostaiyan area.	5,700.00	25.06.2018	27.06.2018	100%	Mr.Soran Ahmad Ismael Tel : +964(0)7701938035
29	240 Liter Solar Collector	Domestic Consumer, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	545.00	15.06.2018	15.06.2018	100%	Mr.Soran Ahmad Ismael Tel : +964(0)7701938035
30	6KWp Rooftop Solar Off-Grid Photovoltaic system and a 15KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Kaziwa area.	5,700.00	04.06.2018	06.06.2018	100%	Mr. Dana Hama Jalal Tel : +964(0)7701568845
31	6.24KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 24KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System ground mounting at Mergapan area.	13,000.00	09.04.2018	14.04.2018	100%	Mr. Salam Qazazz Tel : +964(0)7701523930
32	6.24KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 24KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Sitak area.	13,000.00	24.02.2018	28.02.2018	100%	Mr. Huthem Khalid Tel : +964(0)7703669555

Solar Technology Completed Projects

Sr.	Name of Project / Kind of Works	Contracting Authority and Location	NPC Responsibility	Contract Value USD	Start Date	Actual Completion Date	Completion Percentage	Reference
33	Solar Street Light	Qandil Organization / Hasuna Co., Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Solar Street Lights at Arbat and Ashti Refugee Camps	17,600.00	01.12.2017	15.12.2017	100%	Mr. Hasan Hawramy Tel : +964(0)7701526477
34	360 Liter Solar Collector	Domestic Consumer, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	760.00	10.10.2017	10.10.2017	100%	Mr. Falah Abdulla Hussien Tel : +974(0)07701427202
35	160 Liter Solar Collector	Domestic Consumer, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	375.00	12.11.20017	12.11.20017	100%	Mr. Hamza Mohamad Hasan Tel : +964(0)7701587527
36	160 Liter Solar Collector	Domestic Consumer, Sulaimaniyah - Iraq	Delivery of equipment and materials to the project site, carrying out site installation works, testing and commissioning of Solar Collector.	330.00	25.10.2017	25.10.2017	100%	Mr. Ahmad Muhamad Amin Tel : +964 (0)7701922030
37	6.24KWp Ground Mounted Solar Off-Grid Photovoltaic system and a 24KWh Battery Energy Storage System (BESS)	Domestic Consumer, Sulaimaniyah - Iraq	Design, engineering services, delivery of equipment and materials to the project site, carrying out site mechanical and electrical installation works, testing, commissioning and energizing of Off-Grid Photovoltaic System roof top mounting at Mamostayan area.	13,000.00	01.10.2017	06.10.2017	100%	Mr. Sardar Sabr Tel : +964(0)7701998413
